Our restaurant invites you to experience exceptional atmosphere of Wallachian shepherd's hut. Our chef offers traditional Czech cuisine. We are able to provide you with barbecue such as grilled piglet and other specialities. Also, you can have a taste of our non-pasteurized, non-filtered beer Kousek.

The Wallachian shepherd's hut has indoor grill and spaces for 100 guests. There is also non-smoking lounge with capacity for 40 guests. In summer there is possibility to use a spacious terrace for 150 guests.

## Brewery

In our brewery have a taste of our selection of first-class non-pasteurized, non-filtered beers. These are made with love, using natural, high-quality ingredients with no artificial flavours. Beer production in our brewery finalizes in ideal point, before pasteurization and filtration. This causes that our beer keeps its taste and aroma

by nutrient substance of brewer's yeasts; and keeps all substances with wholesome impact on human organism and its immunity.

If you are interested in the process of beer production, you can either participate in beer manufacturing or you can visit guided tour with brewmaster. As a souvenir, you can get the bottled beer.

## Beer Spa

Beer spa provides our guests with traditional beer bath accompanied by relaxation massage and beer consumption. Our spa procedures are older than 4000 years.
